

# GODDESS BELLYDANCE

*From beginners to advanced, fusion & tribal specialties, at Goddess Bellydance we have classes for everyone, and in term 4 look out for new classes in Tribal Style with the REG girls.*

*At Goddess Bellydance you don't need to know how to dance, we will teach you. You don't need to be coordinated, young, old, fit, experienced, flexible, a particular body type..... We believe ALL women can belly dance.*

*Our success is not in our skill or ability to perform, our success and pride is in teaching you the movements, and seeing YOU dance!*

*"Be a Goddess, Belly Dance".*

**Intermediate:** For students with a minimum of 6 months belly dance experience. Introduces more complex steps, levels to movements, transitions, props, different dance styles and choreography.

**Advanced:** For students with at least 2 years belly dance experience. Classes will have an increased focus on stretching/warm up for improved flexibility and scope of movement, complex movements & combinations, improvisation & development of individual style, group & solo work.

**Open Level:** These classes cater for both beginners and intermediate students. The term starts with a reintroduction to basic movements and progresses to learning a particular dance style, or use of props, or both.

**Elysium Priestess A:** Is open to all levels and covers the gothic belly dance Elysium format basics: Egyptian & Indian Priestess. Both taught with cues & transitions, with emphasis on group dancing & dance technique.

**Elysium Priestess B:** Similar as above (Elysium A), although covers Elysium format basics: Dark & Occult Priestess.

**Elysium Priestess C-Drills:** pre-requisite, at least one term each in 'Elysium Priestess A and B'. This class combines both Priestess A and B into dance combinations and drills to help polish your technique, understanding of cues and transitions and develop a solid foundation in Elysium Priestess (intro level) before advancing to Elysium Goddess (intermediate level).

**Tribal Beginners:** This class can be done by students with no belly dance experience or no American Tribal Style (ATS) experience.
